

Healthy Workplace Initiative Award 2003

This is the first year that the Psychologists' Association of Alberta has presented this award. The award will be presented on an annual basis to an employer and/or organization that has implemented a workplace initiative that contributes to the psychological health and well-being of their employees.

2003 Recipient

Canterra Suites Executive Hotel opened in Edmonton in October 1999. All employees at Canterra Suites are "hands-on" workers and often have to cover one another's jobs.

Canterra Suites is very understanding of employees lives outside of work and has "family-friendly policies" in place to accommodate schedule changes when necessary.

Programs for employee growth and development are implemented and training is provided in-house.

A stress reduction program is in place, as well as promotion of health and wellness. Employees are treated as "people first" and "employees second".

There is a respect for one another and an understanding that each employee is a crucial part

of the continued success and good reputation of the hotel.

Congratulations to Canterra Suites Executive Hotel on receiving the first Healthy Workplace Initiative Award from PAA.
