

About the Conference:

Join us for an inspiring, entertaining and educationally rich conference filled with experts speaking about learning disabilities and AD/HD. This enlightening conference will kick-off in the evening of October 6th with Danny Glover at the Jack Singer Concert Hall, as he appears with his long-time friend Felix Justice, speaking about the importance of arts in education and also Danny's experience in growing up with dyslexia.

Internationally recognized LD expert and educator Richard Lavoie joins us as the keynote speaker for both mornings of the conference (October 7 & 8). He will be presenting: *The Motivation Breakthrough: 6 Secrets to Turning On the Tuned-Out Child* and *Last One Picked, First One Picked On: The Social Implications of Learning Disabilities*. Following Richard Lavoie, choose from 30 informative and inspirational sessions by local experts. Don't miss this fantastic opportunity to learn concepts and tools that you can utilize the very next day!

**Early Bird

Psychologists' Symposium
Friday, October 8, 2010

Best Practices in the Assessment of Learning Disabilities and CO-morbid conditions Across the Lifespan

This full day interactive symposium for psychologists will focus on best practices in the assessment of learning disabilities across the lifespan, the communication of findings and diagnoses, and the consideration of co-morbidities. The day will offer a blend of information, current issues, and opportunities for discussion. Population-specific break-out groups will take up case studies, which will progress from more straight-forward LD profiles to more complex profiles with co-morbid presentations.

Instructors: (Margaret) Anne Price, Ph.D. R. Psych & Michael Lee Zwiers, Ph.D., R. Psych

Participants will:

- have a better awareness of Best Practice guidelines in the assessment and communication of a learning disability diagnosis.
- have a better understanding of special issues and considerations in LD assessment with special populations.
- be more competent and confident in communicating a diagnosis for relevant educational systems in order for students to access necessary supports.

Two Registration Options:

- ① **Full Conference Registration** Early Bird — \$375 After July 31 — \$425
Includes:
 - ✓ Admission to Opening Night with Danny Glover at the Jack Singer Concert Hall
